August 20, 1990

TO WHOM IT MAY CONCERN: *Lee Sims*

Please notify Mark Page of the Price office that Bill Jones does have a protest of book giving several people on the ditch a right of water.

There is not enough water even for the Madsen Ranch and Jones Ranch.

Mr. Page has not seen the protest and is unwilling to take my word for it.

Please notify his office in Price.

Sincerely,

Mrs. Bill Jones
